

In Al-Anon, we learn . . .

Not to suffer because of the actions or reactions of other people.

- Not to allow ourselves to be used or abused by others in the interest of another's recovery.
- Not to do for others what they could do for themselves.
- Not to manipulate situations so others will eat, get up, pay bills, not drink.
- Not to cover up for anyone's mistakes or misdeeds.
- Not to create a crisis.
- Not to prevent a crisis if it is in the natural course of events.
